FLOOR DEBATE

February 11, 2002 LB 1257

members of the body do. I think that, like I said a little bit earlier, we control our own destiny here. We do the things that we think we have to do to make things work, and that's what we're asking you to do today. I don't think we have any problems at all with constitutionality. We've gotten an Attorney General's Opinion that I trust and I think that it's correct. We've been in touch with the Secretary of State's Office at every step of the way and we know that we're all right as far as the time frame is concerned. So, with your...with your help, why, I think we can make this thing work. I would like to give a little bit of my closing to Senator Engel, if you would, please, Mr. Speaker.

SPEAKER KRISTENSEN: Senator Engel, you've got about two minutes.

SENATOR ENGEL: Mr. Speaker, members of the body, I also serve on Exec Board and I was one of the three that voted to get it out of committee and I'll tell you why. I think Senator Beutler more or less mentioned that it should come before the floor so that the whole body can...it can be discussed before the body. I thought another way to do that was get it out of committee and with our new cloture rules it could be discussed that way too because the Speaker can set a time limit on when he feels it's been enough time debated on a subject, so that could be discussed and brought it out that way. Of course, that failed, so I certainly do support bringing it out so the whole body can...can discuss this, because I think it is very, very important and so, therefore, I do...will vote for it.

SPEAKER KRISTENSEN: Senator Dierks, you've got about two minutes left.

SENATOR DIERKS: With that, Mr. Speaker, I would give the rest of my time to Senator Cunningham.

SPEAKER KRISTENSEN: Senator Cunningham.

SENATOR CUNNINGHAM: Mr. Speaker and members of the body, thank you, Senator Dierks. I'd like to clear...clear up just one item. There was some talk at the public hearing about how the
